Therefore, I decided to record it. There are other voices picked-up at usual decibels also. Quit the duplicity and quile. It is proven all day every

day and night audibly heard by physical, natural soundwaves constantly and for six years! This is Jacob, the centrally targeted figure of its constant Harassments. I will never trust you DHS. You have no credibility with me. Colluders in a Treasonous, Anti-American Conspiracy (and with such who have dubbed themselves "New Order" and "SCAT" of globalist occultists networked)... Your complicity is conspicuous after all these six years just of background on this, not counting the post-9/11 matter previous...! You must stop harassing me! You need to stop tampering and Distorting Integrity of Intelligence in Obstruction of Justice

counterpurpose to your stated Role. I do have many causes for Redress of Grievances from over the decades! You are guilty. I am not. Stop the Retaliatory Malice!

Oath-Statement of Testimonial Credibility and Faithfulness.

All accounts of my own authorship, upon Witnessed Real-Testimony of the Logbook by its Unreliable Manifest Theorems are Completely Sound. Inferences and Discernments in Corroboration with an Excessive Weight of Experiential Witness Through-out Continuity of MY LIFE to VERY MATURE AGE. They ALL are Completely proven to my full Immaturity. Beyond ALL Reasonable Doubt to even beyond full measure of standards of Proof and with the Sound of SOUNDING NO. 6 THEY ARE ALL TOTALLY, COLLECTIVELY FACTUAL. They ARE NOT, in any Reliance upon any such said testimony witnesses. I AM MOST CERTAIN OF ALL OF THEM, possessing knowledge of Evidence Thoroughly SUPPORTING.

[Said evidence, however, cannot practically, and as constant rule, be repeated REDUNDANTLY. (It is not sound, by Oath, in the Field, to Accumulate a "book of the Ages" to contain as do my Testaments and Overzealous Opinions.)] [I AM AWARE of and for Compensational Complications: Many Logbook papers (for example: Paper 10, Sullivan, former Deputy National Security Manager, once put down as a reliable high-interest, in good with my biological relatives, and one "Jimmie" a Member of my mother's Woodland, CA, Logbook - Concerning my authorship from stolen Intellectual Property and Patented Workproduct, as Logbook.

Oath-Statement of Testimonial Credibility and Faithfulness

All attempts of my own authorship, upon which I tagged Paul-Testimony of the Logotank by its Unreliable Name/ID, are completely sound. Inferences and Discernments in correlation with an Excessive weight of Experiential Witness through-out Continuity of MY LIFE to VERY MATURE AGE. They All are Completely proven to myself Immensely, Beyond All Reasonable Doubt, to even beyond full measure of standard, or level and with the Tenet of SOUND MIND. & They are ALL TOTALLY, COLLECTIVELY FACTUAL. They ARE NOT nebulous Reliance upon any such "old testimony" Witnessed. I AM MOST CERTAIN OF ALL OF THEM, possessing knowledge of Evidence thoroughly SUPPORTING.

[Said evidence, however, cannot practically, and as constant rule, be repeated REDUNDANTLY. (IT IS NOT SOUND, by Outholding in the Field, to Accumulate a "back of the head" to confusion, as do my Trajectories and Oppositional Opponents.)] I AM AWARE of another long-standing complication: Many Logotank pages (for example: Person O'Sullivan, former Deputy National Security Advisor, has put questions for a national high-priestess in guild with my biological relatives, and one "Jawline" a former team member of Woodland, CA, have Logotank - Counterfeiting my authorship from stolen Intellectual Property and Copyrighted Workproduct, all Logotank, Rocketman. This I had previously discussed concerning "Retics and Intents of the Logotank." Above statement obviously does not apply to these products, authorships or counterparts. I effort to maintain faithful record to which I adhere claim of my own authorship via this website. &]

any such fact-Zero many witnesses. I AM MOST CERTAIN OF ALL OF THEM possessing knowledge of Evidence thoroughly SUPPORTING.

[Sad in choice, however, cannot practically, and as constant rule, be relegated REDUNDANTLY. (It is not sound, by Outdated in the field, to Accumulate a "back of the Age" to Confusion as do my Translators and Overzealous Operators.)] [I AM AWARE of another language as a complication: Many Logos are possible (for example: Megan D. Sullivan, former Deputy National Security Advisor, who has been in a nation's High-positions in quiet with my biological relatives, and one, formerly, a Member-Law member of Woodland, CA, Area Logos - Counteracting my authority from stolen Intellectual Property and Adopted Workproduct, all Logos, Rackets, etc. This I have previously discussed concerning "Notes and Intent of the Logos." Above Statement clearly does not apply to this product, authorship or counterparts. I expect to maintain faithful record to which I add claim of my own, authorship via this website.]
